

RACK - WALL TYPE

WALL MOUNT RACK "U" D.450/600 FLAT PACK

Description

ORCA® Networking wall cabinets are designed and manufactured in compliance with quality and safety standards, optimal solutions for the management and organization of structured cabling.

Flat packing and patent frame packing time is less than 5 minutes around 1/3-1/4 assembled original volume when flat pack.

Orca offers a range of wall racks with relative accessories.

Rack cabinets are distinguished by their exceptional robustness, which, combined with affordability and simplicity of assembly / disassembly, place them at the top of their category.
